Lumen Media Publishing © 2013 is a new British Academic Publisher whose aim is to promote knowledge and learning through the production and distribution of valuable academic works.

Lumen Media Publishing began its activity starting with 2013 and develops its programs as a new branch of Lumen Publishing House, Romania.

With over 12 years of experience, Lumen Publishing House is specialized in publishing professional academic journals and books, both in print and online versions. Our main purpose is to serve the world's research and scholarly communities, along with supporting people's personal and professional rising.

Lumen Association was established in 2001 in an effort to promote social and personal development of individuals, unfolding various activities with social, cultural, educational and humanitarian character. Within Lumen Association various centres are developing their activities, such as Lumen Research Centre in Social and Humanistic Science, Lumen Conference Centre, Training and Consultancy Centre, Lumen Publishing House, and also the boards of Academic Postmodern Openings Journal and Revista Romaneasca pentru Educatie Multidimensionala (Romanian Journal for Multidimensional Education).

Lumen Media Publishing appeared as a necessity of expanding our editorial activity and offers to our authors and clients a better access to the world wide scientific community.
